

# Storskogen acquires Karriärkonsulten

PRESS RELEASE, 2022-02-22

Storskogen has acquired all of the shares in Karriärkonsulten Sverige AB ("Karriärkonsulten") via its subsidiary EnRival AB ("EnRival"). Karriärkonsulten is a private employment service company with a strong presence in the Stockholm region. The company reported a turnover of SEK 30.4m with an operating profit of SEK 7.4m for the fiscal year 2020.

Karriärkonsulten was founded by Camilla Hermelin in 2011 and employs about 65 people in Stockholm, Eskilstuna, Norrköping, Uppsala and Västerås. Similarly to EnRival, the company is working with personalised support to help jobseekers find suitable work or studies that lead to long-term occupation. The company is working on behalf of the Swedish Public Employment Service, within the matching area of "Rusta och Matcha" (KROM), and has since 2018 received the highest score in the official rating. In addition, the company has also been awarded the local price Di Gasell for fast growing companies in 2021.

Camilla Hermelin will continue to lead the company as the CEO, and as a result of the transaction also become a minority owner in EnRival.

"I feel great joy to be a part of both Storskogen and EnRival. Once the opportunity arose, there was no doubt. Together, we will be a strong player in the market, with most participants and probably also the best rating", says Camilla Hermelin, CEO of Karriärkonsulten.

Karriärkonsulten is an add-on acquisition to EnRival, which will continue to operate under separate brands after the transaction. EnRival's CEO Peter Wolff believes that the acquisition of Karriärkonsulten is well in line with the company's goal and vision, to be Sweden's most qualitative and sustainable private employment service partner.

"We have for a long time been very impressed with what Karriärkonsulten has achieved. The rating they showed over time is a result of very hard work and we now look forward to work together but also to exchange knowledge where both parties have much to gain. In addition, Karriärkonsulten complements us well in the Stockholm region," says Peter Wolff, CEO of EnRival.

The company will be part of Storskogen's Business Area Services within the vertical HR and Competence.
